The Cat and the Mice

A cat lives in a small house. In the kitchen of the cat's house live little mice. The cat is very big and every day she eats one or two mice. But on her birthday the cat does not eat mice. Every year all the mice in her house come to the cat's birthday party. Of course, the cat is very glad to see the mice. They give her birthday presents: cakes, bottles of milk and interesting toys. The toys are made of paper and cotton. The cat likes the cakes and milk. She likes the toys too.

Last year the mice came to the cat's birthday party and said "Here is blue ribbon with a small bell for you". The cat was glad because the ribbon was nice, it was made of silk. The cat took the ribbon, put it on and said "Thank you. I like the ribbon with the bell very much. I am going to wear it all the time". The mice were happy for they knew when the cat came.
