Koalas live in Australia. The animals look like bears. They are grey or brown. Koalas are not big. They are about two and a half feet long, and weigh at least 10 pounds. The animals live up in the branches of the trees, rarely climbing to the ground. Koalas can walk and run, but not very fast. They can't jump like kangaroos.

Koalas have got round tailless bodies. They have long arms and legs. The animals have got big fluffy ears, a large black nose and small eyes. They also have got a pouch for a baby.

Dear friend,

My name is Helen. I'm from London. I'm in Year 3 at St.Mary's school. My school is not big. My friends and teachers are great! I like reading and I'm good at Literature at school. My favourite character is Harry Potter. I'm a fan of J.K.Rowling. I also like music and I have piano lessons three times a week. I want to be a musician.

Today is Sunday. It's my favourite day of the week because I don't do any homework on Sunday. My mum is making a cake now. I think it's a lemon cake! She cooks very tasty cakes! My dad is making tea at the moment. I love Sundays!

What are your favorite subjects? What do you do in your free time? What is your favourite day of the week?

Sorry, my dad is calling me. Write back soon.

Best wishes,

Helen
