### **The farmer and the hat**

Tomas Flores is a farmer. He doesn't have a lot of money. He grows carrots, potatoes and onions. He and his wife, Rosa, work hard every day.

Farmer Flores has a cow. It gives lots of milk every day. Mrs. Flores sells the milk at the market in town.

One day, Mrs. Flores comes home from town. She's very excited.

- "There's a dance in town on Saturday. Can we go?"
- "I'm sorry, but no," says Farmer Flores.
- "We're plain people. It's too fancy for us!"

His wife is very sad.

The next day, Farmer Flores has an idea. He takes the cow to town and sells it at the market. He buys a very fancy hat for himself and a beautiful dress for his wife.
